The Honorable Donald J. Trump
President of the United States of America
1600 Pennsylvania Ave., NW
Washington D.C. 20500

Dear Mr. President,

I would like to begin by congratulating you on setting out a reasonable framework on immigration reform and border security. Recent polls suggest an overwhelming number of American citizens want to see finally addressed and resolved. LULAC recognizes the urgency of this matter as these unsolved issues severely impact our over 145,000 members.

The four pillars which you have outlined, (Border Security, DACA Legalization, Protect the Nuclear Family and Elimination of the Lottery and Repurpose Visas) are items that LULAC can support if they remain within the current framework you have proposed. I encourage you to stay engaged on what you have proposed in order to prevent other variations from being introduced by Congress.

As this country's largest and oldest civil rights organization, LULAC firmly believes that now is the time to move this country forward and what you have proposed will continue to keep the momentum of progress on its proper trajectory. We at LULAC will continue to do our part in making your vision a reality. Continue keeping LULAC involved in the dialogue, we will inform our membership and our communities of this great achievement we have accomplished together.

Once again Mr. President, thank you for taking the lead on this and let us keep our focus on the task at hand so we can move forward.

Sincerely,

Roger C. Rocha, Jr.
LULAC National President
